

JUNIOR AMBASSADOR PROGRAM

The Junior Ambassador Program seeks to reach out to those youth who are the next generation of leaders for the City of Madison. This program is designed to motivate students to think seriously about the role they would like to play and the difference they can make in their community.

As participants in the program, Junior Ambassadors will be given the opportunity to become involved in community events, attend tours, and hear from guest speakers on various educational topics. Student involvement is required and closely monitored throughout the year. The Chamber utilizes a point system to measure each Junior Ambassador's level of participation.
